

This assignment is in two parts. The first part is due at the start of class on Day 10. It will not be collected, but you are expected to complete these exercises, just to practice basic skills. If you feel that you need more practice, then do more problems or talk to me.

The second part is due on paper at the start of class on Day 11. Do the “Exam A Practice” exam on the course web site. Turn it in separately from the rest of your homework packet for Day 11.
