

A. Due at the start of class on Day 10 (but not collected): If you have not finished the two Mathematica notebooks introduced in class today, then finish them. Make sure that you have studied each cell, to understand what it does.

B. Due at the start of class on Day 10 (but not collected): Complete these exercises, just to practice basic skills. If you want more practice, then do more problems from the book.

Section 14.4 Exercises 2, 11, 31, 35

C. Due at the start of class on Day 12, as part of your weekly homework packet: Submit a polished solution.
