

For Day 19, complete the second writing assignment (“A sequence of equations is a sequence of statements”) on the course web site. Write your answers on their own sheet of paper, to be handed in separately from all of the rest of your homework.

For Day 20, complete this work for submission with your regular weekly homework:
Section 11.3 Exercises 4, 10, 12, 14, 21, 22, 24
