

For Day 22, complete the third writing assignment (“The arrow ‘ \Rightarrow ’ indicates that one equation implies another”) on the course web site. Write your answers on their own sheet of paper, to be handed in separately from all of the rest of your homework.

For Day 23, complete this work for submission with your regular weekly homework:
Section 11.6 Exercises 4, 6, 10, 14, 20, 26, 30, 34, 44, 50
