

Section 14.2 #8, 14 (hint: polar, then try different  $\theta$ ), 52.

Section 14.3 #3, 6, 10, 18, 28, 50, 69, 79, 84, 86, 89.

Finally, please estimate how many hours you have spent on this Day 10 homework. Your answer does not affect your grade; I'm just curious about how students are experiencing the workload.
